RE: Witness Unavailable Dates and Request for Dates Certain for Ronald J. Binz, Uday Varadarajan, and Gregory M. Lander, Consolidated Docket Nos. 2017-207-E, 2017-305-E, 2017-370-E

Dear Mr. Butler:

The South Carolina Coastal Conservation League and Southern Alliance for Clean Energy's witnesses Ronald J. Binz, Uday Varadarajan, and Gregory M. Lander, will travel to South Carolina from out of state to testify before the Public Service Commission. A date certain for their testimony before this Commission would allow them to make advance travel plans and would help them plan for other commitments in the month of November. Given the order of proceedings announced in Order No. 2018-149-H, and the dates certain of November 12, 2018 granted in Order No. 2018-150-H for the witnesses of Wal-Mart Stores East, LP and Sam's East, Incorporated, United States Department of Defense and All Other Federal Executive Agencies, and AARP, it appears likely that the Commission will hear testimony from at least some intervenors by the week of November 12th. Due to other commitments, Dr. Varadarajan is not available on November 14th or 15th, so we respectfully request a date certain of November 13th for our witnesses. Such a date would be consistent with the order of witnesses, should not inconvenience other parties, and would enable our witnesses to make travel arrangements for the upcoming hearing and to schedule other commitments in November. We do not expect that their collective testimony will take longer than one day to complete barring any unusually lengthy cross-examination.

Please contact me if you have any questions concerning this request. Thank you for your consideration.

Sincerely,

William Cleveland
